SPONSORSHIP OPPORTUNITIES

Water for People

The Water for People Committee of MWEA and MO-AWWA will continue their fundraising efforts for Water For People at the 2024 Joint Annual Meeting at Margaritaville.

Total funds that will be raised in events and various raffles will be donated to Water for People.

Water For People is an international humanitarian organization that supports the development of locally sustainable drinking water resources, sanitation facilities, and health and hygiene education programs in underdeveloped and economically challenged countries. Water For People uses water-related programs as catalysts for change in communities that lack access to drinking water and adequate sanitation. By working as a partner, benefited communities directly improve their own lives so that they can contribute to, and make a difference in the world.

Consulting engineering firms, equipment manufacturers, manufacturer's representatives, construction contractors, and others who have so generously supported the activities of both MWEA and MO-AWWA in the past can best help once again by sponsoring one or more of the terrific fund-raising activities listed below, which will be conducting during the Joint Annual Meeting:
